

14 Change Leadership and Culture Transformation

1-day programme

Change is constant - but leading it well is rare. This programme helps leaders navigate organisational change in a way that maintains trust, preserves culture, and keeps people engaged.

What you'll learn

- How to communicate change clearly and honestly at every stage
- Techniques for maintaining trust and morale during uncertainty
- How to identify and address resistance constructively
- Keeping values and culture intact through periods of significant change

Who is it for

Senior leaders, change managers, and HR professionals leading or supporting significant organisational change.

Duration

1-day programme

Outcomes

Leaders leave with a practical change communication plan and strategies for maintaining engagement and values alignment throughout the change process.
