

03 Ethics in HR

1-day programme

HR professionals sit at the intersection of people, power, and policy. This programme equips them to navigate that complexity with clarity and courage.

What you'll learn

- Ethical frameworks for recruitment, promotion, and dismissal
- How to handle whistleblowing and sensitive disclosures
- Bias recognition and mitigation in HR processes
- Building fair, consistent, and transparent HR practices

Who is it for

HR professionals, people managers, and HR business partners at all levels.

Duration

1-day programme

Outcomes

HR teams leave with practical tools for ethical decision-making and a renewed sense of their role as guardians of organisational integrity.
