

22 Policy to Practice: Making Rules Work

1-day programme

Policies only work when people understand them, believe in them, and see them applied consistently. This programme helps organisations close the gap between what is written and what actually happens.

What you'll learn

- Why policies fail and what organisations can do differently
- How to communicate policies in ways that build understanding and buy-in
- Practical monitoring and accountability mechanisms that work
- The role of leadership behaviour in making policies credible

Who is it for

Compliance professionals, HR teams, managers, and leaders responsible for implementing and embedding organisational policies.

Duration

1-day programme

Outcomes

Participants leave with a practical implementation plan for a key policy and strategies for building genuine compliance through culture rather than control.
